Apartments To Let – just one stop away!

We are a young and developing letting agency with a strong foothold in the nearby Greenwich Docklands area. We specialise in letting only the highest standard of apartments which we are proud to own ourselves.

Our apartments are based in the new and exciting Thames side Greenwich Millennium Village, a short distance from offices on Canary Wharf. They can be easily reached via the Jubilee Line – just one stop away.

Built adjacent to a thriving Ecology Park, facilities include: Thames walk way and cycle path, Greenwich Yacht Club, 12 Screen Cinema and Retail Park. Greenwich Village, the Cutty Sark and Blackheath Village are less than 2 miles away.

Transportation facilities are truly excellent with bus, rail, tube and DLR links to much of London. There is also fast access to the M25 via the A2.

At £245-£260 per week (deposits and references required) and subject to normal contractual terms & conditions these apartments represent excellent value.

One Bed Apartments are being made available from 5th June 2009 in Maurer Court with Farnsworth Court GMV to follow 12th July 2009. So don't delay, call us today.

We also have a new 1 Bed Apartment at Becquerel Court from to-day.
